HOUSEHOLD WASTE AND BLUE BOX RECYCLING PICKUP

LUD of LA RIVIERE

Definitions

- Waste produced by households including glass, but not to include tree branches, grass clippings, building products such as boards, shingles, Gyproc, plywood, concrete, rocks, etc.
- Blue bins are those containers supplied by the LUD of La Riviere to every household within the LUD of La Riviere and which may contain recyclable products such as cardboard, glass, tin cans, plastics, including newspapers or flyers. Furniture, appliances, and other metals are excluded.

Applicant Requirements

- Maintain the safety of the worker as well as members of the public.
- Must provide a vehicle and all other necessary equipment and gas for same for the collection of household waste.
- Collect the household waste and blue bin recyclables which will be set on the curbs by households within the LUD of La Riviere on a specified day every week agreeable to both parties.
- Tagging those items that are waste products or blue bins that are overweight and/or not conform to household waste, and/or blue bins that are contaminated.
- Dispose of collected household waste and recyclables at the waste container site in La Riviere.
- Must have valid Class 5 license.
- Must be minimum of 18 years of age.
- Must be able to work independently.

LUD Responsibilities

- Inform residents of La Riviere of the day on which pick-up will be done.
- Provide recycle bin (s) to every residential home and to all Lodge Apartment Units.
- Pay remuneration on the last day of each month to the successful applicant.

Term of Agreement

- The accepted proposal shall commence
November 1, 2025 and conclude October 31, 2026

Awarding Criteria

The LUD Committee will consider any number of the following criteria in evaluating the submitted proposal, not just the lowest price. These criteria will include:

- Delivery of service
- Previous workmanship on other projects
- Price
- Quality
- The capacity of the candidate to meet the requirements of the proposal.

The LUD Committee retains the right to reject any bid for any of the above criteria,

The Municipality is not required to accept any bid if the LUD decided not to proceed with the proposal.

Quote Submission and Deadline

The attached bid sheet must be submitted no later than noon central time

October 23rd, 2025 at the Municipal Office.

Quotes will be accepted by personal delivery, fax, or email.
