TITLE: Apiary Policy for La Riviere

PAGE: 1 of 1

To deal with the construction and maintenance of apiaries within the Local Urban District (LUD) of La Riviere limits; the Council of the Municipality of Pembina enacts a policy as follows.

POLICY STATEMENT

- 1) All Beekeepers must operate under and adhere to provisions of the Manitoba laws for Beekeepers as identified in the The Bee Act.
- 2) All active beehives must be located at least half (1/2) a kilometer away from any structure located within the LUD of La Riviere.
- 3) Where allergies are identified and a doctor's note is supplied to the municipal office, apiaries must not be located with 1 kilometer from the residence or structure.
- 4) All bee keepers operating within the LUD of La Riviere limits must register at the municipal office. If the apiary is moved or additional locations are acquired, the municipal office must be notified of the new site(s).
- 5) This policy does not limit the allowance for wintering bees within the LUD limits, only active bee hives. If wintering bees, the municipal office must be notified of the location of the bees.
