The purpose of this policy is to define what is required when a resident requests a “Children at Play” sign. But be advised that the Children at Play sign is not regulatory signage and will not be enforced by the Municipality of Pembina.

## POLICY STATEMENT

- 1) A Children at Play sign is to be purchased by the requesting person, as well as the post it is to be placed on.
- 2) The installation of the sign in the municipal right-of-way is also up to the requesting person.
- 3) The sign must be placed at least 15 feet from the edge of the road to allow for proper operation of the graders moving snow or blading road material. The Municipality will not be responsible for any damage to the signs or pay for any replacements.
