

Municipality of Pembina

POLICY

SECTION: Infrastructure

NUMBER: Infra 1 - 20

TITLE: Depositing of snow on Municipal roadways

PAGE: 1 of 1

The purpose of this policy is to reiterate the importance of not leaving snow on a municipal roadway either by depositing or by pushing snow across it and leaving ridges.

POLICY STATEMENT

- 1) Any person that deposits snow upon a highway or the shoulders thereof, is in contravention of Section 217(2) of the Highway Traffic Act, which reads as follows:

A person who drops, throws, or deposits upon a highway any substance or thing likely to injure a person, animal, or vehicle shall immediately remove it or cause it to be removed.

NOTE: The term "highway" in the Highway Traffic Act applies to all roads within the Municipality of Pembina, including the streets in the Town of Manitou and the LUD's of Darlingford and La Riviere.

- 2) As the practice of cleaning private lanes and driveways and leaving of snow on the road and/or shoulders creates hazardous driving conditions, the Municipality of Pembina will take action necessary to enforce the above-mentioned section of the Act.
- 3) A copy of this policy will be made available to a person who contravenes the policy the first time a problem is noticed. If the situation is not rectified once noted or continually happens, the RCMP will be notified to enforce the Highway Traffic Act.
